

Value Proposition of the African Meteorological Society (AfMS) – with Cross Reference with Committees

- VP-1. Organizing scientific meetings, lecture series in person or through, Webinars - (C-4)**
- VP-2. Create means of easy communication to conduct various activities such as Webinars, Meetings, Website and prepare Newsletter - (C-5)**
- VP-3. Supporting scientific publications and research for public welfare and Publishing AfMS Scientific Journal, when feasible; (C-8)**
- VP-4. When circumstances allow, holding Africa-wide Conference each year in one of the member countries - either a physical or an on-line Conference; (C-7)**
- VP-5. Looking into the feasibility of Certification of professionals. If found important by member societies, it will be implemented - (C-4)**
- VP-6. Assisting in Educational Programs by holding Webinars and online Training Programs and also if required and feasible by developing its own training programs - (C-4)**
- VP-7. Cooperating with the National Meteorological Services of Africa and with IFMS, other Regional Meteorological Societies (e.g., EMS, FLISMET, etc.) and National Meteorological Societies for the benefit of strengthening Global Weather Enterprise - (C-2)**
- VP-8. Instituting Recognition and Awards Program for both young and matured professionals of both genders - (C-9)**
- VP-9. Promoting S&T Cooperation and cooperation between Public, Private and Academic Sectors - (C-6)**
- VP-10. Ensuring that AfMS is well staffed and well Financed to Conduct its operations effectively and efficiently - (C-3)**
- VP-11. Above all, strengthening existing National Meteorological Societies and creating new ones in those countries where no such society exists - (C-2).**

AfMS Operational Committees – with Cross Reference with Value Proposition

In order to divide the work, we have defined the following Committees each with a Chair and members to run the Affairs of Committees:

- C-1. Financing Committee (VP-10 – Financing part).**
- C-2. Committee to strengthen existing NMSocs, creating NMSocs where none exists and liaison with existing NMSocs and RMSs and IFMS. (VP-11 and VP-7).**
- C-3. Committee for attracting Volunteers and assigning them to other Committees. (VP-10 - Volunteers).**
- C-4. Committee for Education and Training and conducting Webinars and looking into the feasibility of implementing certification of professionals (VP-1, VP-5 and VP-6).**
- C-5. Communications Committee – takes care of infrastructure for Website, Social-Media, Newsletter, Webinars, On-Line Conferences and communications between Professionals, etc. (VP-2).**
- C-6. Committee for S&T Collaboration and collaboration between Public, Private and Academic Sectors (VP-9).**
- C-7. Committee to organize Conferences (VP-4).**
- C-8. Publication Committee (VP-3).**
- C-9. Awards Committee. (VP-8).**
